

VILLAGE OF SHERMAN ZONING LAW (in relation to existing noise, light, and traffic conditions, for example):

ADDITIONAL DOCUMENTS SUBMITTED WITH APPLICATION [Mark as applicable]

A survey showing the location and property dimensions (including total square footage of the parcel), location and size of existing structures and their uses in addition to the proposed structure, including distances to property lines and between existing structures, and the location of well and septic systems on the parcel, if any.

A plan for the proposed development of the site depicting the location of all existing structures, proposed new structures, streets, sidewalks, buildings, parking areas, means of traffic access and circulation drives. For proposed new structures or modifications to existing structures, the drawings submitted must be the same drawings that will be used to obtain the building permit. In certain cases it may be required that such plans are stamped by a licensed New York architect or professional engineer.

Should the applicant wish to obtain a preliminary decision from the Zoning Board of Appeals on a proposed project, he may submit drawings that are not signed or stamped by an architect or professional engineer, provide, however, that the drawings must show all dimensions, roof pitches, elevations from all four sides, and attached structures, including decks, porches, and garages. Following a preliminary approval, final drawings with appropriate stamps and signatures must be submitted for final approval within no later than 120 days, with such exact period to be established in the preliminary decision.

A list of all neighboring property owners and their correct mailing addresses (keeping in mind the seasonal nature of many residents and providing the dates that they are at each location) and including those adjacent to on the side and behind and across any street from the property, as well as any other neighbor who may be affected by the proposed use.

A copy of the deed, lease, or other instrument describing the applicant's property interest.

Short Environmental Assessment Form (EAF)
