

SMALL COMMUNITY, BIG HEART

After the shock of a tragedy fades from peoples' thoughts, the physical and emotional wounds remain for all those affected. Your continued prayers and support are needed for the Taylor / Ball children, family, extended family and friends along with the dedicated firemen and women who respond to the needs of our community.

It is in these moments that we are reminded of what a blessing it is to have such a committed group of fire and EMS volunteers. Stanley Hose Company serves the greater Sherman community with a rapid response and excellent care from qualified EMT's. The Village recognizes that having the membership and participation of an all volunteer Fire Department is a key element in what makes this community so special.

Sincerely Mayor Meeder
