

LIHWAP

Please note that the available funds for the Low-Income Household Water Assistance Program will only be available until the end of this calendar year. The Village received correspondence from Community and Environmental Resources, RCAP Solutions, stating that “As it stands, water and wastewater systems (eligible customers) only have until the end of this year to take advantage of the LIHWAP program. NYS has almost \$30M in grant remaining.”

For anyone receiving assistance, please be aware that this program will no longer be available in 2024.
