2023 Town of Sherman Historian Report- Submitted by Annette Swan, Town Historian

The year was a busy year for me, because it was the town’s Bicentennial year. I attended the monthly Sherman Day committee meetings. I was able to share my ideas and help with the Sherman history facts. I was very happy with how the celebration all came together. All of the people involved did a great job.

I was especially pleased with the activities at the Yorker Museum. We had a great turnout of visitor and even some former “Yorkers”.

I received a few inquirers during the year for genealogy information. I was given a few old photos of Sherman, which I have added to the other materials I have.

I have also been keeping the obituary scrapbook up to date,

Respectively Submitted,
Annette Swan – Town Historian
