MINERVA LIBRARY

716-761-6378

The Minerva Library is pleased to offer special events on the second Tuesday of every month from 6:00pm-8:00pm.

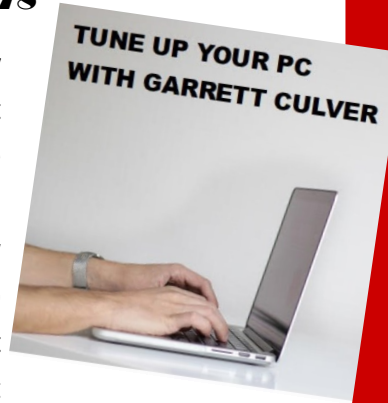

On **November 9th** Harold Reynolds came and spoke about his hiking adventures on the Appalachian Trail. What an educational and inspiring visit, thank you, Harold, for your time that night.

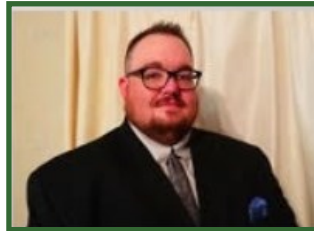

On **December 14th** Vicki Boehmer will be introducing a felting ornament hands-on activity for all ages.

On **January 11th** Garrett Culver will be presenting a class on how to "Tune Up Your PC". It will be a great

opportunity to go into the new year with a clean computer and more understanding of the inner workings of your pc.

Also, **every Thursday afternoon** the Library hosts a 'Story Time' for the elementary

aged children in our area. Stop in after picking up your student and hear a story pertaining to that season of the year. The Library has just placed an outside Story Walk where you can venture out and read a story on the boards put along the sidewalk. We are looking forward to Christmas and Valentine's Open Houses at the Library for our little readers!
